English Classes

At **Katapum**, children learn English in a fun and natural way through activities designed especially for their age. Our classes are for children aged 2 to 7 years and are conducted entirely in English.

How will the children learn?

- **Playful learning:** Games, songs, stories, and activities that encourage active participation.
- **Art and creativity:** Exploring colors, shapes, and crafts while learning vocabulary and expressions in English.
- **Social interaction:** Fostering communication among children through group activities and role-play.
- **Visual and audiovisual resources:** Images, videos, and objects that make learning more meaningful and memorable.

Benefits of our classes

- Development of vocabulary and pronunciation from an early age.
- Stimulation of creativity and imagination through artistic activities and games.
- Improvement of confidence and oral expression, encouraging children to communicate in English.
- Promotion of social skills and teamwork.
- Natural and enjoyable learning, where children associate English with positive and meaningful experiences.
